ADVANCED CERTIFICATE IN GROUP WORK SKILLS

WEEKEND BASED CPD TRAINING IN RURAL DEVON

with **JENNY DAWSON & DAVID KALISCH**

at **EAST DOWN CENTRE, DEVON**

COST: £855

2013 MAR - JULY (5 residential weekends)

This 5 weekend certificated course is an opportunity to explore and develop understanding and skills to work in increasing depth with group processes.

The course will be suitable for anyone who has completed the CHPC Certificate in Groupwork Skills and/or who is already running groups. It will be of particular interest to Counsellors, Psychotherapists, Psychologists, Mental Health Workers, Social Workers, and Organisational Consultants.

The course is largely experiential and will focus on processes arising within and between individuals, as well as within the group as a whole. This learning will be integrated with theoretical input on various models of groupwork-Gestalt, Humanistic and Psychodynamic. Participants will have the opportunity, within the course, to facilitate a group session, and to receive peer and tutor feedback and support.

The course is held in the lovely pastoral setting that the East Down Centre affords on the edge of Dartmoor and the course fee includes overnight accommodation on the Friday and Saturday nights, but not food, which is organised on a self-catering basis.

The course is assessed in-house and on satisfactory completion of practical and written assignments an Advanced Certificate in Groupwork Skills will be awarded as well as a CPD certificate(60 Hours).
